

The ISLA PTO is excited to announce that it's time again to order ISLA SCHOOL T-SHIRTS!

We would like every student to have a shirt, as they will be the suggested attire for school field trips in the future. Field trip shirts are a great safety tool, as well as a good way to spread the word about ISLA.

If your child has outgrown their ISLA shirt, please consider donating it to the Uniform Exchange on PTO nights.

We encourage parents to order for themselves as well! All shirts will be sent home with your child before the holiday break.

T-shirts are black 100% cotton.

SIZE GUIDE by body width. Measure across the chest (not around the entire body) to find the correct size.
